In supersession of the practice now obtaining, the Comptroller has the honor to prescribe the following procedure in regard to the disbursement of pay allowed to schoolmasters and policemen undergoing training in the Normal and Police Schools respectively :—

(2) The pay of these men withheld, as indicated in the foregoing para, should be drawn on separate bills *one for each* which should be countersigned by the officer in charge of the school where he is undergoing training, and on which the establishment from which he has been recruited should be distinctly noted.

To—The Deputy Commissioners, Treasury Department, of all Districts.

Circular, No. O. A. D. 2058—X-2, dated 7th October 1904.

As it has been observed that amounts on account of copyright for publications are sometimes sent in cash to the Registrar of Authorised Publications and sometimes paid into a Treasury and the Treasury receipt sent to that officer, and as it is desirable that there should be one uniform system, the undersigned has the honor to state that it has been decided that in future, all such amounts shall be paid into a Treasury, District or Taluk, and the Treasury receipt only sent to the Registrar. All Treasuries will therefore receive amounts tendered on this account by parties and grant them receipts therefor.
